

## Europass Curriculum Vitae

### Personal information

First name(s) / Surname(s) **Lucia BILEȚCHI**  
Address(es) 1, Academiei str., MD 2028, Chișinău, Moldova  
Telephone(s) +373 22286206 (work),  
Fax(es) +373 22737509 (work)  
E-mail lucia.bilețchi@gmail.com  
Date of place of birth 20 August 1970, Pepeni, Sîngerei

### Work experience

#### Scientific activity

Position held and dates Scientific secretary (since din 01.02.2019), leading scientific researcher (since 2007), senior scientific researcher (2001-2007), scientific researcher (1998-2001)  
Main activities and responsibilities Investigations on the functioning of aquatic ecosystems, specially, on migration of chemical elements in aquatic environment, role of hydrobionts (molluscs, fish, aquatic plants) in the migration of microelements, issues linked with the sustainable use of aquatic resources  
Name and address of employer Institute of Zoology, Ministry of Education, Culture and Research, 1, Academiei str., MD 2028, Chisinau, Moldova. Tel/fax.: +373 22739809, e-mail: [izoolasm@yahoo.com](mailto:izoolasm@yahoo.com); <http://www.zoology.asm.md>

Type of business or sector Research institution

#### Activity as public servant

Position held and dates Main specialist (June 2018-January 2019)  
Main activities and responsibilities Attestation of scientific and scientific-didactic personnel  
Name of employer National Agency for Quality Assurance in Education and Research  
Type of business or sector Central public authority

Position held and dates Senior consultant (2012-2018), consultant (2010-2012), main specialist (2005-2010)  
Main activities and responsibilities Evaluation and accreditation of research and innovation organisations  
Name of employer National Council for Accreditation and Attestation,  
Type of business or sector Central public authority

#### Didactic activity

Position held and dates Pro-rector for didactic work (2000-2005)  
Main activities and responsibilities Organisation of teaching process  
Position held and dates Associate professor (2004-2005), senior lecturer (1998-2003), lecturer (1994-1998)  
Main activities and responsibilities Teaching of courses of general zoology and general biology  
Name of employer Institute of Real Sciences  
Type of business or sector Higher education institution  
Position held and dates Stagiaire lecturer (1993-1994)

Main activities and responsibilities	Teaching the course of general zoology
Name of employer	Free International University of Moldova
Type of business or sector	Higher educational institution
<b>Scientific and scientific-didactic titles</b>	Senior scientific researcher, speciality – Hydrobiology (2001), doctor in biological sciences, speciality Hydrobiology, Ichthyology (1998)
<b>Education and training</b>	
Dates	1994-1997
Title of qualification awarded	PhD studies; in 1998- received the PhD degree
Principal subjects/occupational skills covered	Hydrobiology, ichthyology
Name and type of organisation providing education and training	Institute of Zoology of ASM, academic research institution
Dates	1987-1993
Title of qualification awarded	Licentiate (bachelor)
Principal subjects/occupational skills covered	Hydrobiology, ichthyology
Name and type of organisation providing education and training	Faculty of Biology and Soil Science, State University of Moldova, higher education institution
Mother tongue(s)	Romanian
Other language(s)	Russian, English
<b>Additional information</b>	
Scientific and scientific-didactic publications	93, of which 2 chapters in monographs, 19 article in scientific journals, 3 methodological guides, 2 patents
International research projects	<ol style="list-style-type: none"> <li>1. eMS BSB 27 Black Sea Basin interdisciplinary cooperation network for sustainable joint monitoring of environmental toxicants migration, improved evaluation of ecological state and human health impact of harmful substances, and public exposure, MONITOX (ENI CBC Joint Operational Programme Black Sea Basin 2014-2020, 2018-2021);</li> <li>2. eMS BSB 165 Creating a system of innovative transboundary monitoring of the Black Sea river ecosystems transformation under impacts of hydropower development and climate change, HydroEcoNex (ENI CBC Joint Operational Programme Black Sea Basin 2014-2020, 2018-2021);</li> <li>3. MIS ETC 1676 Cross-border interdisciplinary cooperation for the prevention of natural disasters and mitigation of environmental pollution in Lower Danube Euroregion (UE Joint Operational Programme Romania-Ukraine-Republic of Moldova 2007-2013, 2013-2015);</li> <li>4. MIS ETC 1150 Resources pilot centre for cross-border preservation of the aquatic biodiversity of Prut River (UE Joint Operational Programme Romania-Ukraine-Republic of Moldova 2007-2013; 2012-2015);</li> <li>5. 06.26.CRF Role of dominant species of molluscs in biogenic migration of metals and in the self-cleaning processes of the aquatic ecosystems (Russian Foundation for Basic Research, 2006-2007);</li> <li>6. BGP.3 – CRDF/MRDA MOB1-3051-CS-03 Accumulation and effect of trace elements on fish growth and development (2005-2007)</li> </ol>
Right of doctoral supervisor	Speciality 165.03 Ichthyology, hydrobiology
