ABOUT ME

I have made a contribution to the field of environmental sciences by developing new knowledge and applying it in the field of environmental protection. Have communicated the research results in the national and international refereed publications (6 scholarly articles with 51 citations and 5 recommendations), peer reviewer for the journals: 1) Journal of Environmental Management 2) Reviews in Environmental Science and Biotechnology 3) Environmental Science and Pollution Research 4) Resources, Conservation and Recycling.

WORK EXPERIENCE

01/09/1998 - 30/08/2006 - Chisinau, Moldova

Senior Lecturer at the Faculty of Biology and Soil Sciences

State University of Moldova

Development and teaching of courses in biodiversity and sustainable development, environmental management, consulting students on undergraduate theses.

Moldova

29/03/2004 - CURRENT - Chisinau, Moldova

Project manager, president

WiSDOM association

Elaboration and submission of project proposals, planning and implementation of projects, coordination of the project team, monitoring the implementation of project activities using appropriate monitoring tools, coordination of the reporting process.

Chişinău, Moldova

01/09/1999 - CURRENT - mun Chisinau, Moldova

Leading sc. res, head of the Laboratory Hidrobiology and Ecotoxicology

Institute of Zoology

-performing the administrative activities of the laboratory

- participation in the elaboration and implementation of research programs, coordination of scientific reports

participates in the elaboration and implementation of research project proposals

Chişinău, Moldova

EDUCATION AND TRAINING

01/09/2011 - 29/09/2017 - PO Box 3015,, Westvest 7, Delft, Netherlands

PhD in life sciences

IHE Delft Institute for Water Education, partner institute - Wageningen University & Research

Life sciences (sanitation, wastewater/excreta reuse in agriculture)

EQF level 8 | <http://www.un-ihe.org>

01/09/1997 - 08/06/2000 - Chişinău, Moldova

PhD in biology

Institute of Zoology

EQF level 8

02/03/2002 - 29/10/2003 - Almas allé 8, Uppsala, Sweden

MSc , Biodiversity and Sustainable Development

Swedish Biodiversity Centre

Biodiversity and society, communicating biodiversity, scientific theory and methods, biodiversity: genes, species and ecosystems, sustainable use of biodiversity, managing biodiversity in the tropics, ecological economics, law and policy

EQF level 7

01/08/1996 - 01/07/1997 - 9, Nador ut., Budapest, Hungary

MS, Environmental Sciences and Policy

Central European University

Environmental sciences and policy, environmental economics, freshwater pollution and groundwater, aerobic and anaerobic wastewater treatment, environmental health, planning

EQF level 7 | <https://www.ceu.edu/>

07/07/2008 - 27/07/2008 - Westvest 7, Delft, Netherlands

Short term specialized course

IHE Delft University for Water Education

Aprovizionare cu apă și canalizare descentralizată

Nivelul 5 CEC | <http://www.un-ihe.org/>

01/09/1989 - 30/06/1995 - Str. M. Kogălniceanu , Nr. 65A, Chişinău, Moldova

● **BSc in Biology**

State University of Moldova

EQF level 6

DIGITAL SKILLS

Microsoft Word | Microsoft Office | Microsoft Powerpoint | Skype | Facebook | Microsoft Excel | Google Docs | Zoom | Google Drive | Organizational and planning skills | Written and Verbal skills | Good listener and communicator

ORGANISATIONAL SKILLS

● **Organizational skills**

I have gained managerial skills during 14 years of experience by leading various projects in the WiSDOM Association and also by managing the Center for Research in Hydrobiocenosis and Aquatic Ecotoxicology at the Institute of Zoology.

COMMUNICATION AND INTERPERSONAL SKILLS

● **Communication and interpersonal skills**

Excellent communication skills acquired after studying abroad, in an international community, following the implementation of various development projects in rural areas of Moldova and as a scientific researcher.

SKILLS ACQUIRED AT THE WORKPLACE

● **Skills acquired in the workplace**

As a manager, I have acquired a good ability to adapt to changing conditions, emotional intelligence, the ability to lead effective debates and deduce benefits.

As a researcher, I have acquired the ability to think critically and use sound reasoning and honesty while monitoring scientific tests and laboratory experiments, collecting field data, or interpreting research results.
