

Romania-Republic of Moldova  
ENI-CROSS BORDER COOPERATION

## Radio show with the participation of researchers of the Institute of Zoology

The edition of the show "Between YES and NO" from 9 February 2022, which is broadcasted by the radio station Eco FM, had as guests corresponding member of the Academy of Sciences of Moldova Elena Zubcov, head of the Center of Research of Hydrobiocenoses and Ecotoxicology, dr.hab. Dumitru Bulat, head of the Laboratory of Ichthyology and Aquaculture, and Ion Gologan, scientific researcher in the Laboratory of Parasitology and Helminthology. The discussion was focused on the added value of the project 2 SOFT/1.2/47 "Team up for healthy fish in aquaculture systems of the Prut river basin" (Joint Operational Program Romania-Republic of Moldova 2014-2020, funded by the European Union) for fish farming from the Republic of Moldova and Romania.

The hosts of the show – journalists Alex Nistriuc and Veaceslav Tutunaru – were keen to know the opinion of the invited experts regarding the potential of fish farmers on both banks of the Prut River, the relationship between fish health, water quality and climate change, requirements for water quality in pond farming, the most widespread diseases of fish raised in ponds, the results of the collaboration of researchers from Chişinău and Iaşi.
