## **Press conference dedicated to the completion of the project TeamUp HealthyFish**

On 18 May 2022, researchers of the Institute of Zoology held a press conference dedicated to the completion of the project 2 SOFT/1.2/47 Team up for healthy fish in aquaculture systems of the Prut river basin – TeamUp HealthyFish (Joint Operational Program Romania-Republic of Moldova 2014-2020, funded by the European Union). EcoFM radio channel hosted the conference and broadcasted it on its Facebook page.

The speakers – Cor.mem. Elena Zubcov, Dr. Nadejda Andreev and Dr.Hab. Dumitru Bulat – informed journalists and the public about the activities carried out and the main results obtained within the TeamUp HealthyFish project. In addition, they expressed their opinion on the problems faced by fish farmers and, in general, fish farming in the Republic of Moldova, protection of biodiversity of the natural aquatic ecosystems through the development of fish farming, the training of staff in the field of fish farming, etc.
